

A Note from Johnny...

Welcome! For the past several weeks, FBC has been involved in the season of **Winter Wellness**.

Over these weeks, we have heard messages on the **Anointing of God, The Church of God, and the Church's responsibility with our youth**. I can't leave out one of the most important teachings we received; **the Children's Choir presentation!** Wow, what a lesson about life! Winter Wellness has surely been a time of wonderful teaching, praying, and heart searching truth.

During the past several weeks I pray you allowed the Holy Spirit of our Father to speak to the depths of your heart—to search and conform you into the image of the Lord Jesus.

Though Winter Wellness emphasis is over the journey in and through the Christian life is not! The Christian life is not a program nor a set of messages, but a journey with the Lord through life; a relationship with your Heavenly Father through His blessed Son, Jesus!

Sunday morning I will speak on this relationship as we look at the **Truth of Christianity**. I encourage you to read Philippians 3 several times before I take you on a journey through verses 7-11. As you read this scripture, ask the Lord to speak to your heart and let you see from the heart of Paul.

Are prepared to worship? Submit to the Holy Spirit right now and let Him take you into God's inner chambers.
